AMERICAN SOCIETY FOR PARENTERAL AND ENTERAL NUTRITION

The American Society for Parenteral and Enteral Nutrition (A.S.P.E.N.) is a scientific society whose members are healthcare professionals—physicians, dietitians, nurses, pharmacists, other allied health professionals, and researchers—dedicated to ensuring that every patient receives safe, efficacious, and high-quality patient care.

A.S.P.E.N.'s mission is to improve patient care by advancing the science and practice of clinical nutrition and metabolism.
