

34th Annual Mid-Atlantic Area Society for Parenteral & Enteral Nutrition (MASPEN) Conference

Friday, September 27, 2019

Time: 8:30 AM – 4:30 PM

Registration: 8 AM

Charlotte AHEC
Center for Learning and Development, Building K
5039 Airport Center Parkway, Charlotte NC

This Symposium is Jointly Sponsored by Charlotte AHEC and MASPEN, in collaboration with the UNC Eshelman School of Pharmacy.

TARGET AUDIENCE:

Dietitians, Nurses, Pharmacists, Physicians and all other healthcare professionals interested in nutrition support.

GOAL:

This educational conference will address current challenges in providing nutrition support therapy and provide clinicians with scientific literature and practice recommendations supporting best practices to promote safe and effective therapy.

COURSE FEES:

\$165.00 Pre-registration (*Before September 20, 2019*)

\$180.00 Registration

Breakfast and Lunch provided

CE CREDIT:

Charlotte AHEC provides 0.60 Continuing Education Units / 6.0 Contact Hours

Dietitian Credit:

This activity has been approved by the Commission on Dietetic Registration for 6.0 Hours of Continuing Professional Education (CPE Credit) - Activity #142752.

Pharmacy Credit:

The University of North Carolina Eshelman School Of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The program ACPE# 0046-9999-19-282-L04-P (Pharmacists) provides 6.0 contact hours of continuing pharmacy education credit. To receive CE credit, you must complete the CE attendance form at the evaluation of the program. Statement of credit can be viewed and printed in CPE Monitor. Statements of CE Credit will be processed in approximately 1 to 3 weeks. No partial credit will be available.

DISCLOSURE STATEMENT:

In accordance with the Accreditation Council for Pharmacy Education's Guidelines for Standards for Commercial Support, anyone involved in planning or presenting at this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose this information at the beginning of their presentation.

LEARNING OBJECTIVES

At completion of this knowledge-based activity, the participant should be able to:

- Explain the current challenges in documenting the presence of malnutrition in hospitalized patients.
- Describe the best practices for administering medications via enteral access devices.
- Describe metabolic management for patients at risk of refeeding syndrome.
- Describe methods to manage challenges frequently encountered in caring for patients receiving nutrition support therapy.
