AMERICAN SOCIETY FOR PARENTERAL AND ENTERAL NUTRITION

About A.S.P.E.N.

The American Society for Parenteral and Enteral Nutrition (A.S.P.E.N.) is a scientific society whose members are health care professionals; physicians, dietitians, nurses, pharmacists, other allied health professionals, and researchers; that envisions an environment in which every patient receives safe, efficacious, and high quality patient care.

A.S.P.E.N.'s mission is to improve patient care by advancing the science and practice of clinical nutrition and metabolism.

NOTE: This publication is designed to provide accurate authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering medical or other professional advice.
