*The American Society for Parenteral and Enteral Nutrition*

The American Society for Parenteral and Enteral Nutrition (A.S.P.E.N.) is a scientific society whose members are health care professionals—physicians, dietitians, nurses, pharmacists, other allied health professionals, and researchers—dedicated to assuring that every patient receives optimal nutrition care.

A.S.P.E.N.'s mission is to serve as a preeminent, interdisciplinary, nutrition society dedicated to patient-centered clinical practice worldwide through advocacy, education, and research in specialized nutrition support.

NOTE: This publication is designed to provide accurate authoritative information in regard to the subject matter covered.
