## **Continuing Education (CE) Information**

### **Claim Your CE Credits for ASPEN20 Virtual Online Conference**

To receive continuing education (CE) credit for your attendance and participation, log on to [www.nutritioncare.org/elearning](http://www.nutritioncare.org/elearning).

Your CE certificate/transcript will be available after completing all session evaluations **and** the overall conference evaluation. Documentation is saved in your transcript at [www.nutritioncare.org/elearning](http://www.nutritioncare.org/elearning), no need to print until you need it!

**Complete your evaluations and claim CE credit by APRIL 28, 2020.  
Credit will not be issued after this date, no exceptions.**

To ensure you receive the correct certificate/transcript, **please select the correct discipline when completing session evaluations.**

Pharmacists must enter their NABP eprofile ID and birthday (MMDD). Pharmacists who do not claim their CE credit by the deadline and provide ASPEN with the correct NABP eprofile ID and birthday risk not having the earned credit submitted to the NABP and ACPE, which must be done within 60 days of the event. ASPEN submits only the information that is entered by the pharmacist when credit is claimed and is not responsible for following up with pharmacists to obtain any corrected information to ensure an error free submission. Details regarding pharmacists and the CPE monitor are available at [http://www.nutritioncare.org/Continuing\\_Education/Claim\\_CE\\_Credit/Continuing\\_Education\\_Credit/](http://www.nutritioncare.org/Continuing_Education/Claim_CE_Credit/Continuing_Education_Credit/).

Certificates/transcripts can be printed from but remain stored in ASPEN's eLearning Center. ASPEN does not submit data to any credentialing organization. Attendees are responsible for claiming credit and maintenance/submission of their CE portfolio to the appropriate accrediting body (with the exception of required submission to ACPE for pharmacists). ASPEN maintains CE records for seven years following an event. ASPEN is not responsible for information submitted incorrectly or past due. For assistance in claiming credit, contact the ASPEN office at 301-587-6315 or [aspenn@nutritioncare.org](mailto:aspenn@nutritioncare.org).

### **Conference Goals and Target Audience**

The ASPEN Nutrition Science & Practice Conference is designed for dietitians, nurses, physicians, pharmacists, researchers, and others who practice the sciences of clinical nutrition and metabolism. The conference provides nutrition support professionals with current and cutting-edge information in the field of nutrition support, clinical nutrition, and metabolism.

### **Conference Objectives**

Upon conclusion of the conference, attendees will be able to:

- Challenge current clinical practices
- Integrate evidence-based updates into practice
- Reflect on the implications of current research
- Identify gaps in knowledge that require further education and training

**MARCH 28-31, 2020**  
VIRTUAL ONLINE CONFERENCE

### **Learning Levels**

To assist in selecting sessions that are most appropriate for you, each session will be identified by learning level in the conference app or on the ASPEN website at [www.nutritioncare.org/conference](http://www.nutritioncare.org/conference):

- **Basic:** Assumes little or no prior knowledge of areas covered. The basic session is aimed toward individuals building a foundation for competent practice.
- **Intermediate:** Assumes a general knowledge of the literature and clinical practice within the areas covered. Intermediate sessions are aimed toward individuals wishing to expand their skills and knowledge base.
- **Advanced:** Assumes thorough knowledge of the literature and clinical practice within the areas covered. Advanced sessions are aimed toward individuals seeking a synthesis of recent advances and future directions.

### **Successful Completion**

ASPEN provides CE credit to physicians, nurses, pharmacists, and dietitians who attend in full each session claimed for credit and complete the program evaluation process within the electronic CE system in ASPEN's eLearning Center, [www.nutritioncare.org/elearning](http://www.nutritioncare.org/elearning). Registered conference participants will need to login using their ASPEN credentials to gain access to the conference evaluations in the eLearning Center.

### **International Participants**

Participant feedback is essential in the continued improvement of ASPEN's educational programs, including the annual conference. International participants are encouraged to use the electronic system to submit evaluations for the sessions attended and the overall conference. Through the electronic system, detailed documentation of the sessions attended at the conference will be provided on a discipline-specific transcript.

### **Virtual Conference**

ASPEN20 is a virtual online conference presented live and in real-time to virtual attendees. Virtual attendees are able to ask questions and interact with speakers as if they were attending in person. Participants in the virtual conference must follow all processes for successful completion and all accreditation guidelines apply.

### **System Requirements for the Virtual Conference**
