Dear Health Care Providers:

Due to the critical shortage of parenteral multivitamins in the U.S. market, FDA has granted discretionary use of Fresenius Kabi's Vitalipid/Vitlipid Injection 10mL Single Dose Glass Ampule. Both Adult and Pediatric versions of this product are available. Vitalipid/Vitlipid provides fat-soluble vitamins (A,D,E,K) only.

Please see Dear Health Care Practitioner letter available upon request from Fresenius Kabi Medical Affairs or FDA Drug Shortage [website](#) for product specific information.

Product will be available for **Direct Sales Only** and all **sales are FINAL**.

To order product, please contact Fresenius Kabi, LLC customer service at 1.888.386.1300
