

EDUCATIONAL INFORMATION

ASPEN Self-Assessment Program Modules

Course Goal and Target Audience:

ASPEN's Self-Assessment online modules are designed to support interprofessional health care professionals seeking to assess their knowledge of specialized nutrition and metabolic support both in clinical practice and research settings. Committed to impacting patient wellness, ASPEN provides this interactive educational tool to enhance understanding of current evidence-based specialized nutrition and metabolic support.

Objectives:

- Identify areas of knowledge in specialized nutrition and metabolic support that require further study.
- Develop and integrate analytical thinking skills to improve clinical practice.
- Refine current clinical knowledge and practice to reflect recent advances in specialized nutrition support.
- Develop skills in interpreting medical literature.
- Increase proficiency in utilizing online resources and taking computerized examinations.

Successful Completion: To obtain credit for this course, attendees must complete an entire online module, attain a 60% correct score on the posttest and complete a program evaluation. Pharmacists must provide their birthday (MMDD) and NABP e-PID. Details are available at http://www.nutritioncare.org/Continuing_Education/Claim_CE_Credit/Continuing_Education_Credit/.
