Visit [Nutritioncare.org/PNSafetyRedeem](https://nutritioncare.org/PNSafetyRedeem)  
Log-in to the ASPEN eLearning Center  
Once logged-in, the series will be added to your library

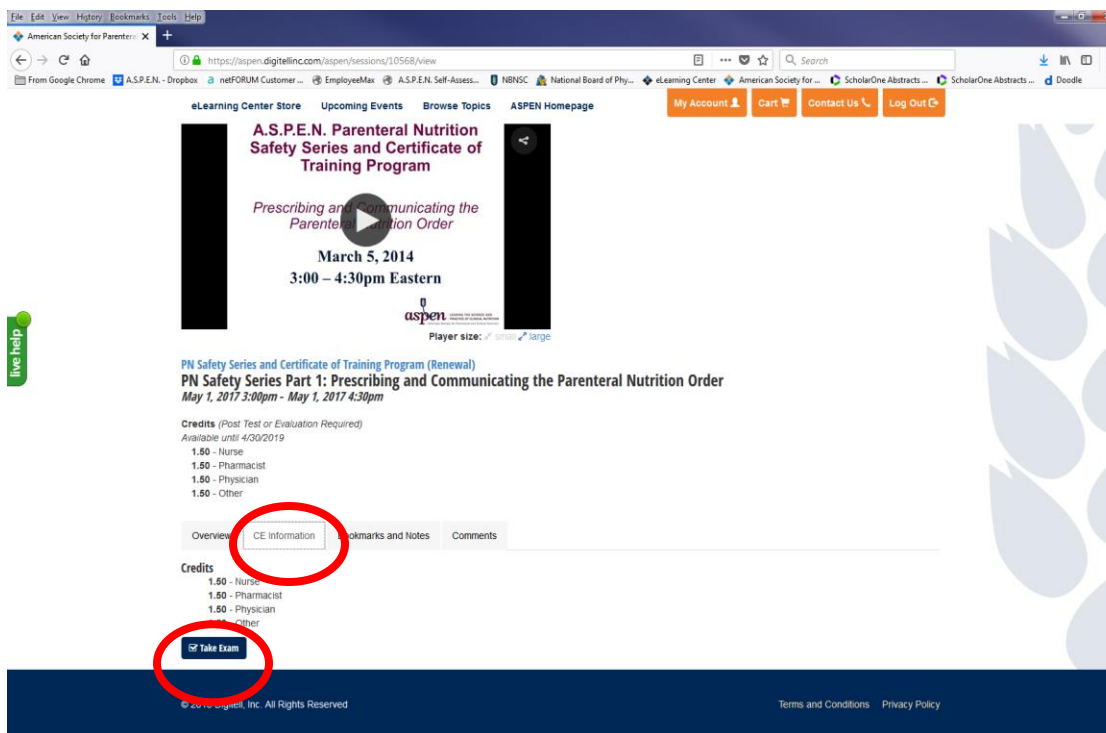

*\*Complete and claim continuing education credits for the designated parts of the series to receive the Certificate of Training in Parenteral Nutrition Safety.*

## ACCESSING THE PN SAFETY SERIES AND CERTIFICATE OF TRAINING PROGRAM

1. Visit [Nutritioncare.org/PNSafetyRedeem](https://Nutritioncare.org/PNSafetyRedeem)
2. If not logged in, you will be asked to log in with your ASPEN username and password or to create an account
3. Once logged in, you will be taken to the PN Safety Series and Certificate of Training (Renewal) program

4. Select the desired session from the list. Once in a specific session in the series, you can listen to the program and/or download the handout and/or the MP3.
5. To claim CE credit, click on the CE Information Tab and then select "Take Exam". The evaluation must be completed for each part to claim CE credit and obtain the certificate.

6.

7. The series is now part of your library. When you log back into the eLearning Center you can access the series in the My Account Area under "Archived Content"
